OF Office on Illinois Street, North of Washington. BY CHAPMANS & SPANN.

The State Sentinel will contain a much larger am-unt of reading matter, on all subjects of general interest, than any other newspaper in Indiana.

THE SEMI-WEEKLY EDITION Is published every Wednesday and Saturday, and during the session of the Legislature, three times a week, on Tuesdays, Thursdays, and Saturdays, at Four Dollars a year, payable always in advance.

THE WEEKLY EDITION Is published every Thursday, at Two Dollars a year, always to be paid in advance.

SI in advance will pay for six months. * Persons remitting \$10 in advance, free of postage, shall have three copies of the Semi-Weekly one year. \$2 will pay for six months. \$1 will always be charged for the Tri-Weekly, and 50 cents for the

Weekly, during the Legislative sessions. ADVERTISEMENTS will be inserted three times at \$1 a square of eight lines, and be continued at the rate of twenty five cents a square for each additional insertion. Quarterly advertisements, per square, \$3. All advertisements from abroad must be accompa-

nied by the cash, or no attention will be paid to them.

From the Reflector and Watchman.

Postage must be paid.

Drawing a Wife by Lot. The Moravians are accustomed to resort to the lot, for the settlement of certain difficult questions which the capitalists in a new bridge which he has consometimes occur among them. It is always cone structed. His name is Remington, and he is a nahowever in a solemn manner and with prayer. The Rev. Mr. M—, who has for many years the highly esteemed pastor of the Moravian Church in New York city, when a young man, was stationed among one of the tribes of Indians at the far West as a mission-out money, and spent the first five months in vainly and he is a tructed. His name is Redungton, and he is a native of Virginia. An account of his progress is given by himself, in a letter to Dixon H. Lewis, and is published in Hunt's Merchants' Magazine. When he arrived in England in January, 1817, he was without money, and spent the first five months in vainly and the is a later to Dixon H. Lewis, and is published in Hunt's Merchants' Magazine. When he arrived in England in January, 1817, he was without money, and spent the first five months in vainly and the interest of the later to Dixon H. Lewis, and is published in Hunt's Merchants' Magazine. When he arrived in England in January, 1817, he was without money, and spent the first five months in vainly and the interest of the later to Dixon H. Lewis, and is published in Hunt's Merchants' Magazine. When he arrived in England in January, 1817, he was without money, and spent the first five months in vainly and the interest of the later to Dixon H. Lewis, and is published in Hunt's Merchants' Magazine. ary. After laboring there for several years in a state looking for somebody with enterprise enough to enof 'single blessedness," he, like other missionaries, courage his plan, living all the time on less than desired a companion. But he was attached to no one, and could fix his mind upon no one to be his 'better half.' Still some one he must have, for he experienced a painful sense of loneliness, insolated as he was ced a painful sense of loneliness, insolated as he was ced a painful sense of loneliness, insolated as he was ceed with rags and vermi, consorting, as he had to from all civilized society. He therefore left for a few do, with the lowest beggars in London. Still he did weeks his rude untamed charge and went on a journey not despair. The incidents of the succeeding three in search of a wife.

He directed his course, as young ministers do at the present day when engaged in the same pursuit, to a usurers £10 to obtain a shilling for admittance to the Benedict J A Boyd Miss A Boyd D M female seminary. He went to Bethlehem in Pennsyl- Royal Zoological Gardens, where he succeeded, after vania, where was a female academy, under the direction, in getting the ghost of a model Bailey John tion of his own denomination. It is frequently, made of the bridge. The model, although a bad one, though improperly, termed the Moravian numery. astonished every body. Every engineer of celebrity He here made known his errand to those who had the in London was called in to decide whether it was oversight of the institution—to those who were the practicable to throw it across the lake. Four or five proper ones to address upon the subject. They informed him that there were in the seminary several young before them was passing strange, but that it could ladies of suitable age, character, literary and religious not be carried to a much greater length than the attainments, to be the companion of a missionary. length of the model. This was the point of life or But he knew them not. He was attached to none death with the inventor. He says :of them, and had no particular choice. What was to "I was standing amid men of the supposed greatbe done! It was certainly a very peculiar case. It was est talent as civil engineers that the world could proproposed, therefore, that the interesting though diffi- duce, and the point decided against me. This one cult question be settled according to their custom 'in time alone were my whole energies ever aroused. I like cases made and provided, by lot. SEMI-WEEKLY.

THE GROSSE: erary Newspaper. corded to their reports of its debates, in receiving and making the ever merit has hitherto recommended the work. They will pubfish a Daily Globe, to record the proceedings and debates as they occur; and a Congressional Globe periodically, as heretofore em odying the reports of Congress separate from the miscellane one matter which will accompany them in the daily print. To and in good style, of every color. Silks, Satins, Shawls, Bonfill the sheet of the daily newspaper, it is designed to gather the nets, and any Dresses that may have been faded or spotted, renews from all quarters, and complete the contents by drawing | colored and made as bright as new. from every source that may be of most interest among literary cals of France and Great Britain, treating of such subjects, will be consulted, and, it is hope t, advantageously used. Original es-

The Globe, as a newspaper, and as a vehicle of information and amusement in other respects, will be under the charge of Francis P. BLAIR and JAMES C. PICKETT. The congressional department and business concerns of the paper will be under the management of Jons C. Rives. The public are familiar with Blair and Rives as connected with the press. In introducing Mr. Pickett as one of eration a the concern, they will be allowed to say a few words of him. He is a gentleman favorably known to the Government, for the talent and judgment which distinguished his diplomatic service while connected with the mission to Quito; and more recently when Charge d'Affairs to Peru. From his pen mainly the Globe will derive the selections and translations from the French journals and periodicals, the comments on them, and the other literary articles, which will be found among its chief attractions. The Globe will be published daily during the session of Congress, and weekly the balance of the year, and will undergo distribution in the form of a Weekly Globe, a Congressional Glote, and an Appendix. The Weekly Globe will be the vehicle of the miscellaneous articles of the daily print, with a synopsis of the Congressional pro-The Congressional Globe will embody, as it has done for the last sixteen years, Congressional proceedings and debates exclu-

The Congressional Globe and Appendix will be published as fast as the proceedings of Congress will make a number. Subscribers may expect one number of each a week during the firstfour weeks of a session, and two or three nambers of each a week afterwards, Nothing of a political party aspect will appear in the Globe save that which will be found in the Congressional reports. A paper assuming to be an impartial vehicle for all sides, cannot maintain its character if the editornal columns reflect a party hue. The Editors of the Globe have borne their share in the party conflicts of the press. They claim an honorable discharge from the vocation. The Globe will inviolably maintain the neutrality which its

The Appendix will embrace the revised soceches separately, and

the messages of the President of the United States, and the reports

of the Heads of the Executive Departments.

relation to Congress imposes. For one copy of the Daily Globe (daily during the session of Congress, and weekly during the recess) a year, \$5.00 a continuance of the same. As heretofare, their various For one copy of the Weekly Globe one year, For one copy of the Congressional Globe during the next session, if subscriped for before the first of January, - 1 00 For one copy of the Appendix during the next session, if subscribed for before the first of January, . For six copies of either the Congressional Globe, or the Appendix, or part of both.

The subscription of the Congressional Clobe, or the Appendix, after the first of January, will be \$1 50. The original price of one dollar does not pay the expense of the publications of the great in crease of matter published Our prices for these papers are so low that we cannot afford to credit them out; therefore no person need consume time in orderng them, unless the subscription price accompanies the order. Proprietors of newspapers who copy this Prospectus before the ist day of December, and send us one copy of their paper containing it, marked around with a pen to direct our attention to it, shall have their names entered on our books for one copy of the Congressional Globe and Appendix during the session, or one copy of the Daily Globe, whichever they prefer.

Washington, Oct. 16, 1848 46 tf CAMDEN INSURANCE COMPANY, New Jersey.
